

LIGHTWEIGHT | 200 PACK UNIVERSAL ABSORBENT PADS

**TACKLE
INDUSTRIAL
SPILLS, LEAKS,
& DRIPS.**

Engineered for Superior Absorption in Industrial Environments.

Our Lightweight Universal Absorbent Pads offer unmatched absorption capacity for any environment. Designed to tackle tough spills in manufacturing and industrial settings, these pads quickly soak up oils, coolants, solvents, and water. The durable, tear-resistant construction ensures longevity, while the low-lint design keeps your workspace clean. Ideal for machine shops, maintenance areas, and anywhere industrial spills occur, our Lightweight Universal Absorbent Pads provide reliable spill control you can count on.

Product Specs

Part No.	Size	Description	Pcs./Box	GSM
